Dear Booksellers,

Ignite your curiosity and sense of adventure with these summer picks from Hardie Grant!

From Ultimo Press comes the breathtaking thriller, *Unfinished Business*, from the Miles Franklin Award-winning author, Shankari Chandran. Sri Lanka, 2009. Decades of civil war and bloodshed are being brought to an end at last. In the capital, Colombo, tenacious journalist Ameena Fernando is murdered, execution-style and CIA agent Ellie Harper is sent to seek justice for her death. Amid the international scheming and jostling for stakes in post-war Sri Lanka, Ellie follows the trail of secrets on a mission to uncover a truth worth killing for.

In *The Pool*, Prince of spin and life of the party, Baz King, is missing. Ten years ago, at an innocent summer barbecue in Melbourne, everything imploded. For the Kings and the four other young families there that fateful day marriages fractured, friendships crumbled and lives were upended. This novel examines the enduring shrapnel of tragedy: if you witness the worst thing imaginable, how does it change you? How does it shape the rest of your life? Could it make you a murderer?

Venture into the lush beauty of the Tasmanian bushland with *Top Walks in Tasmania 2nd edition*. This fully revised and updated guidebook showcases 67 of Tasmania's most iconic walking trails, with extensive trail information, tips and stunning photographs.

Slither into the world of *Spectacular Snakes* with the latest addition to Team Flannery's enthralling animal picture book series! Uncover surprising facts about this bizarre and beloved reptile family, and discover snakes – from the teeny-tiny to the deadly – that are sure to delight and frighten every reader. And kickstart the love of learning with *ABC 123: Trace and Learn* from the *School of Monsters: Learn and Play* series. This workbook is filled with teacher-approved worksheets and activities that will get kids ready for kinder and school, with help from their monster friends!
