Dear Booksellers,

Explore new horizons with these captivating titles from Hardie Grant!

Discover the art of natural dyeing with *Hand Dyed Designs*. Learn to make your own sustainable dyes from kitchen waste and plants, common dyeing techniques for creating unique textiles, and practical projects for creating beautiful fashion pieces. And embrace your dream life with *Your Soul Purpose*, a practical guide to manifestation from conception to reality. With self-discovery exercises and techniques to tap into the power of your subconscious mind, learn to navigate your inner world and create a life that makes you feel truly alive.

Ultimate Dive Sites will inspire you to embark on your next underwater adventure, featuring 50 of the best dive sites around the globe. Get up close and personal with manta rays in the Maldives or brave the dark depths to go blackwater night diving in the Philippines, with essential info for experiencing these rare marine wonders.

From Ultimo Press comes the chilling thriller from bestselling author, Ashley Kalagian Blunt, *Cold Truth*. Harlow Close has made a career as an influencer uncovering the secrets of Winnipeg, renowned for its sub-zero temperatures, dropping to minus 40 degrees. When Harlow's father mysteriously disappears amidst a particularly brutal cold snap, suspicions of foul play arise. As Harlow

struggles to uncover what happened to her father, she's forced to question everyone and everything around her – including herself. *After the Fall* by Kirsten Alexander is a story about intergenerational friendship between women, coercive relationships and power, and the endless possibilities new connections can bring.

Rain on the Rock celebrates the impact of rain on Uluru and the Kata Tjuta National Park. Told using vivid imagery, and in harmony with Anangu's connection to Country, this breathtaking picture book depicts the unique beauty of one of Australia's most iconic landscapes.
