Dear Booksellers,

Savour diverse cuisines and captivating escapades with these picks from Hardie Grant this spring.

A tour de force in vegetarian and vegan cooking, Shannon Martinez is back with a glamorous guide to Italian food with 100 delicious recipes in *Vegan Italian Food*! Discover meat-free versions of delicious antipasti, elegant pastas such as Tortellini in Brodo, Red Sauce Meatballs, plus sides and salads, all without reliance on animal products. Master the art and technique of *wok hei* with *The Golden Wok*, featuring 80 delicious approachable recipes that celebrate Diana Chan's Chinese-Malaysian heritage. The Golden

Wok is an essential guide that shows you that a wok is the pride of any Asian kitchen, and the most versatile pan there is.

With over 30 years of trips under their belt, Intrepid Travel are the best guides to take you wherever you wish to go. Their new anti-bucket list guide *The Intrepid List* will help any thrill seeker get under the skin of a place, and learn from locals who can help you discover the authentic, the eccentric, the rare, and the astonishing. All done with an eye to sustainability, to celebrate the planet and protect its unique environments.

From Ultimo Press comes a captivating story of loss and love, romance and revelations from the author of *The Paris Cooking School*,

Sophie Beaumont. Drawn together by loss and the romantic gardens of Paris, the paths of three women begin to intersect as they develop an unexpected friendship that will transform their lives.

Our feathery crime-fighters are back and *powering up* for some spooky adventures in book 12 of their hilarious blockbuster series! What happens when a cursed hole opens up in the mark, a tongue monster terrorises the city, and the pigeons discover their powers have suddenly disappeared? There's only one thing to do, and that is for the Real Pigeons to figure out where their powers come from ... so that they can hopefully get them back!
