

## The Briefing

August 2022

Featuring: **Karen Martini, Michael Pascoe, Eliza Henry-Jones, Zain Khalid, Sally Rippin**

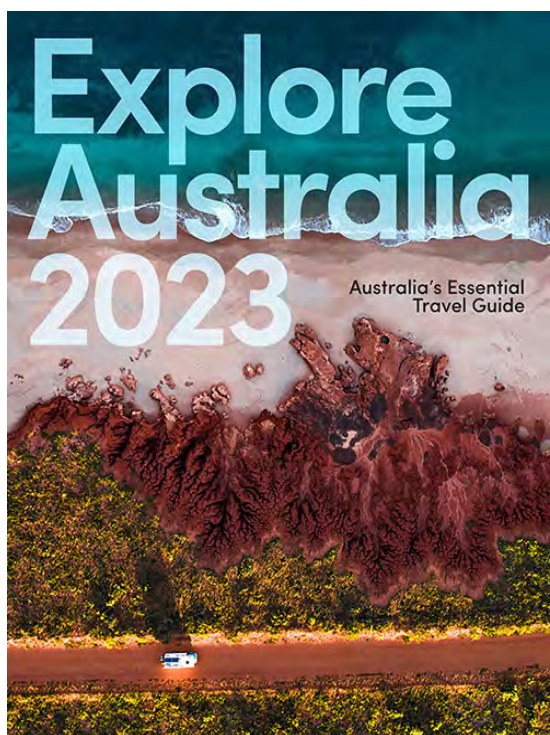

Dear Booksellers,

Discover new flavours, places and stories this August. Hardie Grant's latest offerings feature familiar favourites and fresh voices.

Acclaimed chef Karen Martini presents *COOK: The Only Book You Need in the Kitchen*, an 900-page testament to a lifetime of cooking, eating and learning about food. This is an essential collection of more than 1000 recipes, from old favourites to brilliant new dishes. Each recipe in this modern classic is packed with hard-won wisdom from Karen's inspiring career and Tunisian-Italian heritage. It's time to COOK!

Travel the country with the latest edition of *Explore Australia*. Now in its 39th edition, this bestselling guidebook has been completely revised and updated to reflect the way we travel across the continent, making it more user-friendly than ever!

This month, from Ultimo Press, *The Summertime of Our Dreams*, by Michael Pascoe is an eloquent, profound – and sometimes funny story of fathers, mateship and mortality. In fiction, readers can discover a haunting and evocative mystery set on a remote Scottish island, in *Salt and Skin* by Eliza Henry Jones. August also sees the publication of *Brother Alive*, a powerful debut fiction following three boys who are unrelated but intertwined by circumstance.

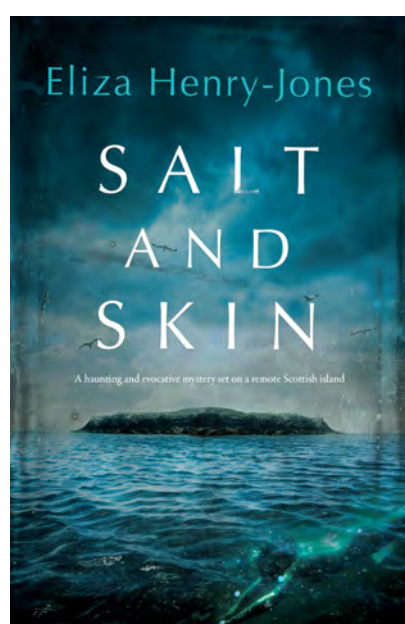

*Wild Things* by Sally Rippin is a compelling, surprising and incredibly timely exploration of neurodiversity and how children learn – or fail – to read, through the lens of a parent and a best-selling children's author. Through meticulous research, interviews with educational experts and conversations with neurodivergent adults, Rippin shares her brilliant and eye-opening insights into how we can help all kids find the joy in reading, and advocate for them within the limited mainstream schooling system – and maybe even help shift the system entirely.

## August 2022 order form – Ultimo

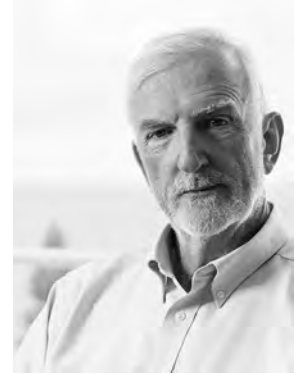

Trade Paperback	AUTHOR	QTY
 9 781761 150975	Brother Alive Khalid, Zain	\$32.99 <input type="text"/>

Repeated from Key Titles

**In 1990, three boys are born, unrelated but intertwined by circumstance: Dayo, Iseul, and Youssef.**

*Brother Alive* is a rigorously intelligent, wholly sensitive, and quietly rebellious work of art, with prose as profound as it is beautiful. What an inspiring examination of the waywardness of life and the grounding of love this story is. What a wise, thoughtful writer Zain Khalid is. What a gift to humanity this book is.'

**Robert Jones, Jr., New York Times-bestselling author of *The Prophet***

'Zain Khalid's imagination and talent are a marvel to behold in these pages. *Brother Alive* bristles with a kinetic, hypnotic energy that also manages to ask profound questions about love, faith, family, and loyalty. Hallucinatory and electrifying, *Brother Alive* announces the arrival of a writer with an impassioned and fearless vision.'

**Maaza Mengiste, author of *The Shadow King*, shortlisted for the Booker Prize**

 9 781761 150067	Should We Fall to Ruin: New Guinea, 1942. The untold true story of a remote garrison and their battle against extraordinary odds. Christian, Harrison	\$34.99 <input type="text"/>
---	--	------------------------------

Repeated from Key Titles

**This is the untold story of a remote garrison of Allied soldiers on New Guinea during WWII who stood up to the Japanese invasion despite insurmountable odds.**

**Praise for *Men Without Country*:**

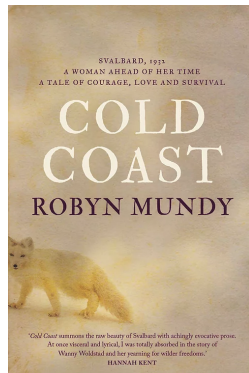

Full of quirky detail, hair-raising descriptions of ocean voyages and memorable characterisations, *Men Without Country* is an absolute ripper of a tale, an old story that new questions make relevant and fresh.' ***The Saturday Paper***

'Written by a descendant of Christian, this is an unvarnished, unbiased, account of the mutiny and its aftermath on Pitcairn, putting it in its broader historical context. Rich in detail, but easy to read, this is a great retelling of the tale.' ***Daily Telegraph***

### B Format

 9 781761 151156	Cold Coast Mundy, Robyn	\$22.99 <input type="text"/>
---	----------------------------	------------------------------

Repeated from Key Titles

**Inspired by the story of Svalbard's first female trapper, *Cold Coast* is a gripping portrayal of survival within the stark beauty and perilous wilderness of the high Arctic.**

'[Mundy] translates the stark beauty and acerbity of the Arctic with masterly wit and fervour. This is the best kind of novel – one that takes you away from the mundanity of your plastic chair and four concrete walls.'

***Sydney Morning Herald***

'A brilliant feminist biographical natural history novel.'

***Australian Women's Weekly***
