

## The Briefing

September 2022

Featuring: **Clive Hamilton, Vicky Bennison, Celeste Mitchell, Sophie Cunningham, Dr Lachlan McIver, B.B Alston**

Dear Booksellers,

Get ready for spring with fresh new voices and familiar favourites.

*Clive Hamilton's Provocateur* is a unique memoir, showing us why questioning the status quo matters, how powerful arguments can change the country, and how the life of ideas in action actually works. The world's favourite Italian grandmothers also return to shelves this month, with their highly anticipated second cookbook, *Pasta Grannies: Comfort Food*. This is an easy-to-follow, crowd-pleasing recipe book that shows you how to make authentic Italian food that everyone will enjoy. And for travellers and interior design lovers alike, *Life Unhurried* is the perfect gift for anyone passionate about sustainability. This essential travel book has tips to help you slow down and live sustainably.

This month, from Ultimo Press, comes the first fiction work from Sophie Cunningham in fifteen years – *This Devastating Fever*, a dazzlingly original novel about what it's like to live through a time that feels like the end of days, and how we can find comfort and answers in the past. And in non-fiction, comes a no holds barred memoir from Dr Lachlan McIver, Médecins Sans Frontières Planetary Health Advisor. *Life and Death Decisions* is a deeply human look at the personal cost of our broken global health system, and how we must work together to change it for the better.

*Amari and the Great Game* by B.B Alston, is the electrifying sequel to the award-winning *Amari and the Night Brothers*. After finding her missing brother and saving the supernatural world, Amari is convinced her first summer as a Junior Agent will be a breeze. But between the fearsome new Head Minister and a deadly new competition to decide the future of magickankind, Amari is in for a whole new adventure...

Non-Fiction	AUTHOR	QTY
 9 781761 150777	Life and Death Decisions 9781761150777 McIver, Lachlan	\$34.99 <input type="text"/>

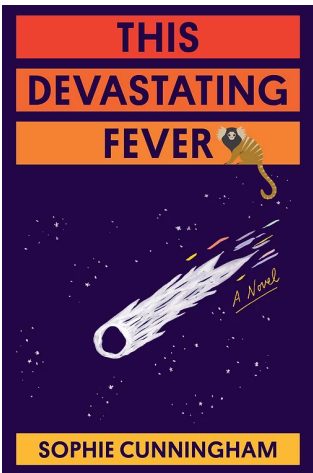

**The impossible job of a doctor in some of the world's wildest places.**

This is a deeply human look at the personal cost of our broken global health system, and how we must work together to change it for the better. It's what we need right now.

Fiction		
 9 781761 150937	This Devastating Fever 9781761150937 Cunningham, Sophie	\$32.99 <input type="text"/>

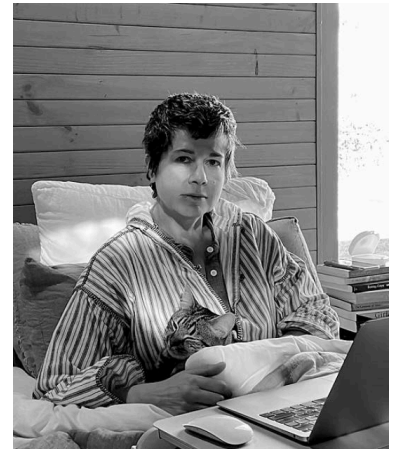

**Sometimes you need to delve into the past, to make sense of the present.**

'*This Devastating Fever* is both timely and timeless, a sophisticated work of fiction that addresses the anxieties of the present moment as well as the most profound questions of history, art, love and loss. A magnificent novel.'

**Emily Bitto** author of *The Strays* and *Wild Abandon*

I loved this book. I absolutely loved it.' **Christos Tsiolkas**, author of *The Slap* and *7 ½*

'Thrillingly audacious fiction. Sophie Cunningham's entwined subjects are profound – Leonard Woolf and colonialism, the crises of the present day, the challenges of creative work – and she writes commandingly and inventively about them all. The result is an extraordinary novel.' – **Michelle de Kretser**, author of *Questions of Travel* and *Scary Monsters*
